

Student Name & Email: _____ **Parent Name & Email:** _____

☐ EXAM EXEMPTION

- OR**

- ❖ Open to all students.
- ❖ According to CMS Board policy (S-ATT/R), if a student misses more than 10 days in a class, the student is responsible for recovering seat time missed in excess of 10 days in each class in order to earn a passing grade for the class. Attendance recovery may be completed in person or remotely and will be communicated with the teacher. 45 minutes of recovery time equals one class absence.
- ❖ Understanding that some absences are beyond a student's control, requests for attendance waivers may be appropriate if a student missed days due to a medical or hardship reason.
- ❖ A recovery waiver for absences above 10 in any class may be requested and must be approved by MPHS administration. ***If a waiver is granted, the student will still be responsible for arranging and making up any missed work from the days missed.***
